

## Video for the Rest of Us

If you could create your own professional video in minutes, for Free, would you? Of course you would. Check out [Animoto.com](http://Animoto.com)

We see tons of application for artists, real estate agents, and just about anyone that presents to potential clients. And, this video is a snap to embed on your website.

If you don't like the video they come up with, send it back through again. No two videos are the same.

Did we mention it's free?
